There are over 20 different volunteering roles that range from helping direct and assist visitors arriving at the hospital, to serving teas on wards, helping in our Café@B18 and the RUH Shop, as well as gardening around the RUH Estate. It matters to us and the RUH that volunteers themselves enjoy and benefit from the experience of volunteering. There are a range of flexible volunteering opportunities at ReMind UK that don't require any time commitment! If you want to socialise and meet new people, why not run one of our charity stalls? Or you could boost your skills by learning how to support people with dementia. You might be green fingered and could make our courtyard garden a sanctuary.
