Friends of the Orchard on Broadmoor Lane, Upper Weston

Wildlife Community Apples!

The Friends of the Orchard formed as a volunteer group in 2018 to represent the needs of the community who use the Orchard at Broadmoor Lane. We carry on the community spirit of the now-retired Broadmoor Lane Residents' Association. We are looking for volunteers to help with our regular sessions at the Orchard, usually held on Saturday mornings several times a year, but also to help with Apple Day, Wassail, Bat Walks, Wildlife monitoring and Summer Picnic.

Activities include planting trees, shrubs, wildflowers and bulbs, scything, pruning apple trees and more.

We also need people to join our small friendly committee to help guide the improvement of the site, promote its use and volunteer and local community engagement. We are very open to new ideas to help more people to engage with and benefit from this lovely treasured green space. Even if you can only offer a few hours a year, or one or two hours per month, we would love to hear from you. Contact us at friendsoftheorchardbath@gmail.com and visit our website <https://sites.google.com/site/broadmoorlaneweston> or Facebook page for regular updates.

Girlguiding

Looking for a way for your daughter to make new friends, have fun and grow her confidence? This is it. And because our activities are designed to be for all girls, there's a place for your daughter whatever her tastes or needs. Within Weston and Newbridge there are groups for Rainbows (4-7), Brownies (7-10) and Guides (10-14) meeting on weekday evenings at different local venues, whilst Rangers (14-19) meet in the city centre. To find out more about the activities for the individual sections, take a look at the Girlguiding website **www.girlguiding.org.uk** and register an enquiry for your daughter to join.

Careers Advice For Teenagers

Individual careers advice sessions for secondary students. As parents, we are naturally keen to support our child in thinking about the future, but it is bewildering knowing where to start. Some of the areas I can help your teen with: Identifying careers that align with interests and skills;

Choosing uni courses; Applying for apprenticeships; Sixth form subject choices. I also offer psychometric testing that matches aptitudes with related careers. Each session is tailored for the individual and includes a detailed action plan. Since 2018 I have worked in Bath secondary schools providing careers advice. Meetings take place in Upper Weston or virtually. For more info visit **www.melaniewhalley.com** or call **07515 338113**
